

Arkansas Governor's Cup Online Payment Privacy Policy

Payment information is collected via [JotForm](#) and payment processing is transacted through [Stripe](#), both of which are certified as Payment Credit Industry Data Security Standard (PCI DSS) Level 1 Service Providers. When you make an online payment, your information is encrypted, which means it is scrambled to prevent unauthorized access.

Your secure connection during the payment process is maintained until the transaction is completed or terminated.

- Your email address and/or your phone number will also be used to confirm your attendance at the Governor's Cup awards luncheon.
- The contact and company name, mailing address, and email address will be used the following year for sponsorship or individual seat purchase queries only.
